We are excited to report that technology is blooming across campus, so it is time to spring into action with some updates from our department! A little bird told us there is a great new digital process from the Human Resources department, and a new user-friendly Argos training. We also want to take a moment to weed out anyone who has not yet completed the password reset. Lastly, we highlight an easy way to grow your network with Ellucian.

Happy Spring!

As a reminder, the university's password reset policy was reinstated March 2, 2021. This policy requires you to change your Network/Single Sign-On password within a notified change window. You have between now and May 18, 2021 to change to your password. Instructions on how to change your password can be found on the website: [https://www.udallas.edu/offices/technology/\\_documents/Password\\_Reset\\_and\\_Multi\\_Factor.pdf](https://www.udallas.edu/offices/technology/_documents/Password_Reset_and_Multi_Factor.pdf)
